

# Atlantic Health System 2018 Community Benefit Report

**\$162 Million**  
TOTAL COMMUNITY BENEFIT

## **\$22 Million** Uncompensated Charity Care

Free and reduced cost care provided to people unable to pay.

## **\$69 Million** Medicaid Assistance Shortfall

Unpaid costs from providing care to low income patients.

## **\$1.7 Million** for Health Research Advancement

Investments in research programs and clinical trials to benefit the community.

## **\$40 Million** to Health Professional Education

Supporting continuing education for medical and nursing students and staff.

## **\$12 Million** for Community Health Improvement Services

Community-based initiatives and programs to promote health and wellness.

## **\$750,000** Cash and In-Kind Contributions

Donations made to partner organizations to improve the health of our community

## **\$17 Million** in Subsidized Health Services

Clinical services provided by Atlantic Health System hospitals despite a financial loss to the organization. *(Financial loss is measured after removing losses from uncompensated charity care, bad debt and Medicaid shortfalls.)*
