Fall for Chilton

Join us for an elegant evening of live entertainment, gourmet food and cocktails.

This celebration provides the perfect opportunity to toast the extraordinary care provided by Chilton Medical Center, and highlight the contributions of Physician Honoree Steven W. Domnitz, MD, longtime obstetrician and gynecologist affiliated with Chilton Medical Center, and the Chilton Medical Center Auxiliary, a dedicated group of volunteer fundraisers who have supported Chilton Medical Center for the past 30 years.

Proceeds from Fall for Chilton will support the creation of a Caregivers Center in Chilton Medical Center. The Caregivers Center will provide a tranquil environment, 24/7, and free support services for families managing the stress and special needs associated with caring for a critically, chronically or terminally ill loved one during a hospital stay.
